MEMORANDUM FOR RECORD

SUBJECT: Recruitment and New Member Entrance Policy

1. Individuals wishing to join Dominion Gaming will post a thread on the "Recruiting Office" portion of the Dominion forums. A member of the Command Group or other authorized official will issue a registration token to allow the individual to create a profile on the Dominion web site.
2. Newly recruited members will be immediately assigned to an open duty position on the roster.
3. New members will complete an initial 15-day period, during which time they will be considered to be a "provisional member". The Dominion strives to be a closely-knit group, and the purpose of this provisional period is to allow Dominion members to get to know the new member. Concerns about the admittance of a provisional member may be voiced to any Command Group member within this 15 day period. Upon the completion of the 15 day period, provisional members will automatically be upgraded to full member status unless otherwise determined by the Commander.
4. Members will be promoted to the rank and grade of Private First Class (E-2) after completion of their provisional period.
5. Point of contact for this policy is the undersigned.
